

**The AAPSM is pleased to announce that we will be participating in the APMA 2019 Annual Scientific Meeting (The National) scheduled July 11-14 in Salt Lake City, Utah. The National offers an unbeatable combination of benefits. Attend symposia and specialty tracks; participate in hands-on training at surgical workshops; peruse the vast exhibit hall; and more.**

**Special Guest: Fred Roberts – former NBA/ABA Basketball Great! Frederick Clark "Fred" Roberts is a retired American basketball player who played power forward in the National Basketball Association (NBA) for 13 seasons, a career spanning from 1983 to 1997, becoming one of the more successful journeymen to play in the league.**
