Join us Saturday, March 4th and earn 6 CECH in our online event: ***Updates in Sports Medicine: Practical Pearls***

This uniquely, focused seminar will provide DPMs with a stronger understanding in podiatric sports medicine given the following **learning objectives**:

- To understand the indications for shockwave therapy for foot and ankle pathologies
- To identify unique diagnostic and therapeutic concerns for sports injuries in the pediatric population
- To identify common and uncommon concerns regarding running shoes
- To understand indications and differences between orthotic therapy for different sports
- To gain an appreciation for return to sport guidelines among recreational versus competitive athletes
- To recognize different clinical presentations and treatments for lateral foot and ankle injuries
- To discuss the specific concerns regarding the foot and ankle when playing basketball

- To understand the unique presentation, diagnostics and treatments for first ray injuries among athletes

**Don't miss this opportunity to see some of podiatry's leading experts and educators in podiatric sports medicine including:**

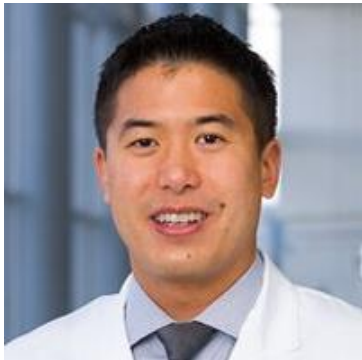

**James Losito**  
DPM, FACFAS, FAAPSM

**Alicia Canzanese**  
DPM, FAAPSM, ATC

**Mark Mendeszoon**  
DPM, FACPM, FACFAS

**Donald Kasitinon**  
MD

**Michael VanPelt**  
DPM, FACFAS

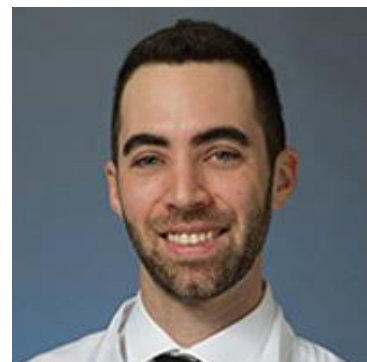

**Jay Spector**  
DPM, FAAPSM

**Howard Osterman**

**Richard Blake**

**Daniel Stewart**

DPM, DABFAS, FAAPSM

DPM, FAAPSM, MS

DPM, FAAPSM
